_____ It is your responsibility to provide the office with current and correct insurance information. Failure to do so could result in your insurance company rejecting your claims for failure to obtain authorization or timely filing. In the event that this should happen you will be responsible for the incurred charges.

Cancellation Policy

Colorado Gum Care strives to deliver excellent dental care to all of our patients. In order to be consistent with this philosophy, we have implemented the following appointment cancellation policy:

Surgical Visits

We request that you give our office a seven day notice in the event that you need to reschedule or cancel your procedure with the dentist. This includes all treatment visits with the dentist. If you miss an appointment for the surgical visit without providing us with the proper notice, we will consider this to be a missed appointment and a $150.00 fee may be assessed to reschedule your appointment. This fee will not be applied to your rescheduled procedure.

Office visits and Cleanings

We request that you give our office at least two full business days' notice in the event that you need to reschedule or cancel your appointment with the dentist or hygienist. If you miss an appointment for the office visit without providing us with the proper notice, we will consider this to be a missed appointment and a $75.00 fee may be assessed to reschedule your appointment. This fee will not be applied to your rescheduled procedure.

As a courtesy, we do make reminder calls, texts and/or e-mails 10 days prior to your appointment. We will also contact you to confirm your appointment 3 days prior. If you do not receive your messages or we have incorrect information, the cancellation policy will still be in effect.
